The Green Centre - Brighton

07467 959200 (Mon - Fri 9 til 5)

Supported by The Rampion Fund at Sussex Community Foundation

Plastics Recycling

Brighton & Hove City Council

Plastic bottles ONLY

Remember this means all types of bottles

Milk bottles: wash, squash and **PUT THE LID INSIDE**

All other bottles: wash, squash and **REPLACE THE LID**

If you put wrong or dirty items in your recycling, you cause contamination. More than 10% contamination and it gets incinerated - what a waste of time and effort.

www.brighton-hove.gov.uk

01273 292929

If it is not a bottle the council will not recycle it - even if it has

a symbol

NO PLASTIC TUBS
NO PLASTIC TRAYS
NO PLASTIC PUNNETS
NO PLASTIC CARTONS

Reduce

The process to Recycle plastic is **EXPENSIVE** and **ENERGY INTENSIVE**

Plastic is Collected

Prepared and checked for contamination

Too much contamination and the load is burnt or buried

Moved to recycling company

Plastic is recycled

This is **NOT** sustainable

Can you reduce the amount of plastic you use?

Perhaps look at one type at a time

It's worth the effort!

Magpie Recycling

Magpie is a co-operative and complements the council recycling service

They offer a weekly collection (where available) £20 per quarter
Their opt-in service costs £1.59 per sack (collected when you have filled 2 sacks)

Plastics marked with and numbers 1, 2, 3, 4, 5 and yoghurt pot

www.magpie.coop

01273 684425

Supermarkets

Check whether your local supermarket has a scheme

Only deposit items listed on the bins

Only deposit clean items

Breaking the rules causes contamination and may lead to the removal of bins

For example, ASDA Brighton Marina collects:

- Carrier bags
- Bags for life
- Bread bags
- Produce bags
- Frozen food bags
- Toilet roll film
- Shrink wrap
- Bubble wrap
- Drinks multi-pack wrap
- Cereal bag inners

The Green Centre

The Green Centre recycles a wide range of plastics - check out the list overleaf
