SLOW DOWN - CONSUME LESS - SHARE MORE

About the GREEN CENTRE

The Green Centre is a Community Interest Company set up in 2006 and run entirely by volunteers. We are not-for-profit and funded by grants, donations and income raised through our zero-waste programme. We practice the “Art of Sustainable Living” which is based on the 10 principles of One Planet Living. You can learn more about this on our website. In December 2020, in collaboration with Cat Fletcher founder of Freegle, we secured a permanent unit at Brighton Open Market. The space is called Planet Brighton and will provide opportunities for other environmental organizations to show case their work.
